## WELCOME!

Good old Grant, he ain't lost his touch! Just when we thought his return would be all about Mitchell family feuds (and

possibly his secret son by Michelle if the rumours are true!), out comes that old Grant magic as he seduces one of the ladies of Walford. Now that's more like it, *EastEnders*! Who he beds is a closely guarded secret – but being *Inside Soap*, we take a stab at the identity of the lucky lady over on p6.

And Grant's not the only one in the throes of lust this week. *Corrie*'s Maria... what are you doing? Mind you, we reckon getting it on with Aidan is a big step up from your last dirty deed when you started stalking Tyrone! Over in the Dales, however, what was once the hottest lust has definitely turned cold, as scheming Chrissie pushes forward with her plot to frame boyfriend Andy. Luckily, life is rosier for actor Kelvin Fletcher off screen (see p34)... Enjoy!

# MITCHELLS AT WAR!

The clan is in crisis as Grant throws a major spanner in the works...

## EASTENDERS | BBC1 Monday

**G**rant's mission to save his family doesn't exactly go according to plan this week, as he and brother Phil end up at loggerheads – and Sharon is caught in the middle!

It's a tense reunion for the brothers as old wounds are reopened and fresh feuds ignited. Will they emerge from their showdown stronger for it, or more estranged than ever?

"It was never going to be a happy reunion for the boys, given everything they've been through in the past," explains our *EastEnders* insider. "But with their beloved mother Peggy having recently been laid to rest, you'd think they would have become united. Typically, though, they're the same old Phil and Grant

– and their default setting is just to lay into each other!"

Sharon is the first person to see Grant when he rocks up, and it's not long before the two old flames become locked in a tense heart-to-heart. As they stare into each other's eyes and Grant reaches out to hold her, flustered Sharon pleads with him to talk to Phil and sort out their differences. However, when the brothers do come face to face, Grant accuses Phil of helping Peggy to die!

"Grant left the Square content in the knowledge that he and Phil had convinced Peggy not to end her own life," our mole reminds us. "He can't believe that Phil lost control of the situation, and feels terrible that he wasn't there to prevent it from happening himself. Grant blames Phil for it all."

**“GRANT CAN'T BELIEVE PHIL LOST CONTROL OF THE PEGGY SITUATION”**

Is it really curtains between Sharon and Grant? Or will passions heat up again?

As his sibling swears blind that he had nothing to do with Peggy's death, Grant brings up the issue of the money that Phil still owes him. It was Grant who loaned Phil the cash to help Kathy while she was still on the run, and now Grant is desperate for his dosh back.

The problem is, Phil doesn't have the readies – and having said that, he orders Grant to

leave. It falls to Sharon to beg Phil to let Grant stay in Walford and work out their problems – and while Phil mulls her words of wisdom, she goes on the hunt for her leather-clad ex. But what will happen if and when she comes across him?

"Let's just say that Grant ends up in the arms of one Walford woman," grins our source. "He still has the Mitchell charm, and this particular Square siren is putty in his hands!"

**CONTINUED OVER»**

Sharon confronts Phil, and urges him to listen to his sibling in his time of need

Ding ding, round... well, we've lost count of the number of fights between these two!

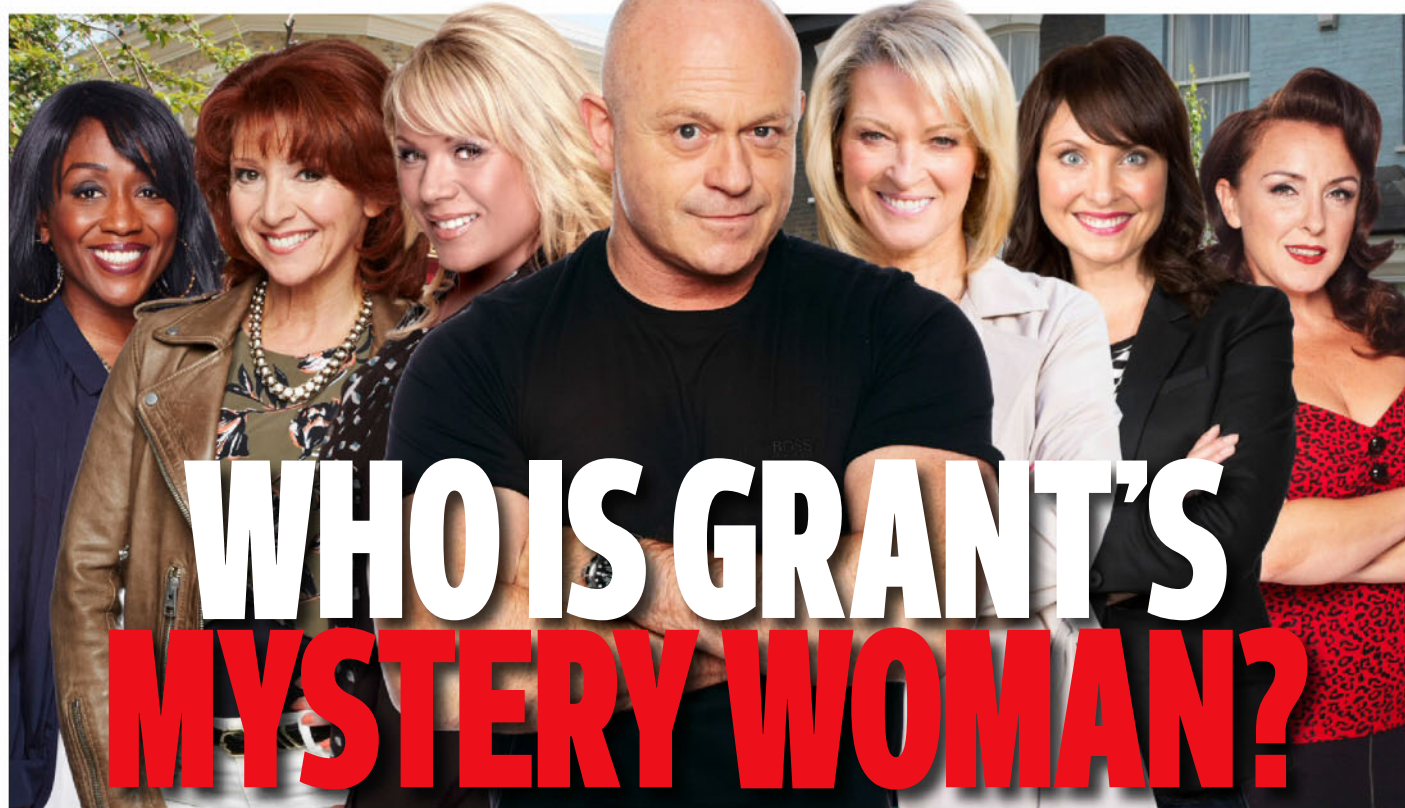

## » FROM PREVIOUS PAGE

Viewers will have to wait and see who falls for Grant, but regardless of this twist, the ladies are still flocking in his direction! His former lover Kathy finds herself sharing a moment with Grant, but her attempts to get him to open up about his feelings come to an abrupt end when Grant's financial situation becomes a sticking point between them.

However, as Phil reaches out to his brother at last, will they be able to reach a compromise that suits the both of them?

LAURA-JAYNE TYLER

## We run through the possibilities of who his lucky lover could be...

Considering his romantic history, it was inevitable that Grant would end up seducing at least one of the Square's lovely ladies.

The obvious choice is **Sharon**. The chemistry between them was sizzling when Grant last visited Walford, but she's since pledged her loyalty to Phil.

So if Sharon isn't the woman he hooks up with, who is?

"The fact that Grant has a moment with his former flame **Kathy** might not just be a coincidence," muses our *EastEnders* spy. "But if Ian ever found out, he'd be absolutely appalled!"

With that in mind, there are plenty of other eligible

lasses in Walford who wouldn't mind getting their claws into the Mitchell man.

**Denise** has already had her Phil when she spent a drunken night with him – so will she do the double and bed his brother?

Other candidates include single mum **Carmel** – who hasn't had the best luck with

men so far – while **Belinda** isn't shy when it comes to flirting with the fellas!

Perhaps, though, Grant will do what he does best and keep it in the family, with cousin Billy's wife **Honey** being a wild card possibility!

Either way, one Walford woman is in for a night that she won't forget...

# MARIA BEDS AIDAN

## But can they keep their cheating secret?

**T**here's a scandal brewing for Maria and Aidan this week – as the pair share a drink and end up in bed!

Both fed up with the actions of their other halves, they seek solace in one another after a tough day. Maria is angry with fiancé Luke for making a huge mistake and wrecking Caz's chances of fixing things with Kate. Meanwhile, Aidan is cross because he and Eva have had a fight about living together, and she's failed to remember it's the anniversary of his mum's death. So Maria and Aidan end up sharing a heart-to-heart...

"Don't forget they have history and have known each other for years because Maria was married to Aidan's cousin Liam," shares Samia Ghadie, who plays the cheating lady. "Aidan gives Maria a shoulder to cry on, they get chatting and find they have loads to talk about. He gives Maria a lot of charm – and she falls for it!"

It's clear things haven't been right between Maria and Luke for a while, and Maria isn't sure Luke is the right man for her. So when he mistakenly orders carnations instead of roses for Caz to send to Kate to mark her mum's passing, Maria flips out.

"He was told that carnations are the flowers that Kate's mum hates," explains Samia. "It ruins what Caz was trying to do as Kate gets upset, so Maria has a huge go at Luke in the Rovers and he storms off. Her anger at Luke has been building, with them clashing over Caz. This

**“AIDAN REGRETS IT MORE THAN MARIA BECAUSE HE HAS A LOT MORE TO LOSE”**

argument causes Luke to throw his keys at Maria, which is when it all kicks off..."

For Aidan, it's not so simple. He adores Eva and has planned to take her on a mini-break. However, she misreads the signals and thinks her fella is about to ask her to move in with him. The humiliation of being told she's got the wrong end of the stick in front of Aidan's family and their friends is awful for Eva – but little does she know she has worse problems ahead.

"Eva is Maria's friend, so she didn't do this on purpose," says Samia. "She's in this situation before she's even thought of it."

Eva's error of judgement leaves her red-faced

## Mr Right?

Eva is under the impression she'll be moving in with Aidan

# DAN!

While being torn between handsome Luke and sexy Aidan doesn't sound like a bad thing, Samia has other ideas of what Maria's romantic future should involve. Specifically, that her relationship-hopping alter ego should calm down and try to keep men at bay...

"I think Maria should stick with being on her own for a while," the star tells us. "I don't think Luke is the guy for her – he's too young. I believe Liam was the love of her life, and she's never really found anyone who matches up to him."

She and Aidan have a bottle of wine together and are a bit tipsy – and that's how they end up in bed. They do realise what they've done is wrong, although Aidan regrets it more as he has a lot more to lose."

For Maria, what happens is proof that she and Luke shouldn't be together.

"In some ways, her doing what she does with Aidan is a way for her to get out of her relationship with Luke," reckons Samia. "By doing that, Maria thinks she can't possibly be in love with Luke!"

# WILL JOANIE JILT ZAK?

## Their wedding day is fraught with trouble...

**Z**ak Dingle prepares to make an honest woman out of Joanie this week – but as he waits to marry her, his bride-to-be goes missing!

With many of the Dingles still furious that Zak left loyal Lisa for Joanie, the day is already fraught with bad feelings as emotions run high. It's important to Zak to let the world know he's devoted to Joanie – however, as she prepares to marry into a family who hate her, it's not quite so simple for Joanie...

"Zak calls Joanie the woman of his dreams, so he's excited on the big day," explains Steve Halliwell, who plays the groom. "I don't know whether he's deeply in love with Joanie or if it's just mad infatuation. But he really does regret breaking up the Dingle family like he has."

Having left his wife of 17 years for a woman she considered a friend, Zak's certainly got a lot to feel ashamed about. But it's clear that whatever his feelings for Joanie, the Dingle patriarch still has feelings for Lisa, who is devastated as the wedding approaches, and their history is something that continues to make Joanie feel quite insecure.

So when drunken Zak calls Joanie 'Lisa' on his stag night and then says "I still love you", it's a heartbreaking moment.

**“ I DON'T KNOW WHETHER ZAK IS IN LOVE WITH JOANIE OR IF IT'S INFATUATION ”**

"The terrible thing is that the next day, Zak doesn't remember he said it and Joanie doesn't tell him," reveals Steve. "He's not aware of his actions until Kerry asks him about it, and Zak is flabbergasted. He thinks, 'What am I going to do now?'"

Meanwhile, Joanie struggles to cope as the pressure on her intensifies. She's well aware that Cain and the other Dingles despise her for what she and Zak did to Lisa, and she's hurt when she later finds a massive stain on her wedding dress.

So when Zak arrives at the church, ready to make Joanie his wife, she isn't there. Instead, she shows up at the Dingle homestead, where she shares an emotional conversation with Lisa. But what is Zak's bride saying to his ex?

KATE WHITE

Joanie faces Lisa – but what is the upshot of their conversation?

# “Viewers want Zak to get back with Lisa!”

Whether Joanie will show up at the church is a closely guarded secret, but Steve says he's in no doubt about what *Emmerdale* viewers think of the whole situation...

“People often say to me, ‘You naughty man, get back with Lisa!’” laughs the actor. “They say that Joanie’s all right, but she’s not Lisa. I would like Zak and Lisa to get back together eventually, too. I love working with both Denise [Black, who plays Joanie] and Jane [Cox, aka Lisa] equally, but because of the long tradition of the Dingle family, and the fact their marriage was a symbol of loyalty and family values, I think Zak should be with Lisa. The viewers are probably right!”

Zak waits for his bride – but will he be waiting forever?

UNFAITHFUL!

# BIG CHANGES

## IN WEATHERFIELD!

Corrie boss Kate Oates outlines her plans for the Street...

**I**t's the beginning of a new era on the cobbles with plans for a sixth weekly episode – and a raft of juicy and exciting new storylines due to hit our screens. As the award-winning former series producer of *Emmerdale*, *Coronation Street*'s new chief Kate Oates is thrilled to be taking the show forward – and reveals all the big plots that will be shaking up the soap in the coming year...

### THE BARLOWS GO BIG!

Corrie's first family will take centre stage when drama magnet Peter Barlow makes a sensational return to Weatherfield. And Ken's big reunion won't end there, with two other members of his clan also set to join him...

"It's that strong family dynasty on the cobbles

that will be sending ripples throughout the Street!" enthuses Kate. "I love the idea of having Ken as head of the family with Tracy, Simon and Amy. I'm also very excited to bring Peter back, and Chris Gascoyne [who plays him] will be here for as long as I can tie him down!"

"We're also going to meet Daniel Osbourne [the son who Ken fathered with his former lover Denise], and I'm excited to bring back Adam Barlow – Ken's grandson and the son of Mike Baldwin," she adds. "We're currently in the process of casting the both of them."

### STEVE'S BABY SHOCK!

Meanwhile, the secret father of Leanne's child will learn that he's going to be a dad AGAIN, when wife Michelle reveals that she's also pregnant!

"Steve has gone from not wanting any more children

**“WE WILL SEE SOME GOOD DRAMA FOR STEVE UNFOLD OVER CHRISTMAS!”**

to fathering two!" exclaims Kate. "The trouble comes in how he juggles dealing with Leanne over the road with a bump that he has to close his mind from, while also being excited for Michelle. We'll see some really good drama unfold over Christmas and into springtime next year. That's when it will be really, really big!"

And Steve is going to have a tough job on his hands keeping his secret, after Nick learns that the Rovers boss is Leanne's mystery babydaddy! Will Nick reveal all to Michelle?

"It's one thing if the father is an unknown, but another if it's your neighbour and it's Steve!" laughs Kate. "With Nick in possession of this information, it's safe to say that things will kick off between him and Steve – and therefore threaten Steve's precious marriage..."

### MARIA'S FATAL ATTRACTION!

The McDonald baby bombshell isn't the only scandal that will have us glued, as Kate reveals that Aidan cheating on Eva with Maria (see p8 for all the gossip!) will result in love – and possibly lives – on the line.

"Aidan hears little rumours about when Maria lost the plot with Tyrone and Fiz – and he thinks, 'Oops, I might've just slept with a crazy lady!'" grins Kate. "Maria finds that mildly insulting, and it drives a wedge between them both.

## Nick vs Steve!

Nick's showdown with Steve is already in the process of being filmed. Stars **Ben Price** and **Simon Gregson**, who play the pair, were spotted shooting a rather heated exchange between their characters down a remote road. But while the men are away from prying eyes as they discuss Leanne's baby, there's no hiding for Steve as he tries to stop Nick revealing his secret. Will he tell Michelle?

Steve hoped Nick would be gone when he opened his eyes

### » FROM PREVIOUS PAGE

"But then there's a crisis for Maria in the form of Caz," continues Kate. "She brings complications to Maria's life in dramatic and tense fashion. The story is about testing Maria and putting her in jeopardy, which will form a chapter in the long-running story between Maria, Aidan and Eva. There is high drama with Caz!"

### A SPECTACULAR STUNT!

Famous for some of the huge action sequences she brought to *Emmerdale* – including the Woolpack flood, and helicopter crash – Kate is now planning a huge blockbuster storyline for the Street, with a big explosion rumoured to be in the pipeline...

"An autumn stunt is traditional – and will possibly tie in with the Platts," she teases. "In the recent chapel of rest scenes, David promised to avenge Kylie's death, but he also promised his wife that he would be a brilliant parent to their children."

"Those two promises are in direct conflict with one another," continues Kate. "One is based on love and protection, and the other is grounded in vengeance and hate. So which of these promises is going to win out? You can probably guess which way we're going to go with that!"

### BETHANY 4 GARY?

As the Platt family drama reaches a sensational climax, Sarah's daughter Bethany will

## AN AUTUMN STUNT IS TRADITIONAL – AND WILL TIE IN WITH THE PLATT FAMILY!

fall for Gary as she continues to battle her own demons with her appearance...

"Due to bullying, she's a teenage girl who feels out of control of her life, and Bethany's way of managing involves diet pills and over-exercising," explains Kate. "Rather than playing it big, it will be a slow burn with Gary as a brilliant support. Bethany

is giving him doe-eyed looks when he is her knight in shining armour – but does he feel the same way towards her?"

### KILLER PHELAN?

Meanwhile, across the Street, Michael has vowed to expose vile Phelan's true colours. But with star Les Dennis due to leave the show (see right), will the evil brute silence Michael before he has the chance?

"Phelan hasn't killed anyone... so depending on what happens, the pressure that he faces and the people in his way, what is he capable of?" asks Kate. "He will clearly bring other people down for his own pleasure, and that is sinister enough without any deaths – yet!"

## Phelan lucky!

It looks as if Phelan's new building project (see p24) will get the go-ahead from the council. Our snaps show the builder cracking open a bottle of bubbly with girlfriend Eileen and his dodgy cohort, Vinny. But as another picture shows Eileen and Phelan standing on what appears to be a high platform, could Eileen be heading for a big fall as wicked Phelan continues to pursue her son Jason's inheritance money?

Eileen looks ready to celebrate...

... but do things soon go south with Phelan?

# GOODBYE AND HELLO!

MICHAEL TO DEPART - AND MORE OLD FACES COULD BE ON THE WAY HOME...

## CORRIE'S FUTURE

Finally, we're set to enjoy even more classic cobbles drama next year when the show broadcasts a sixth weekly episode – and Kate is looking forward to steering the ship.

"I've read reports that the cast are unhappy about it, but that's not the case at all," she confirms. "They're galvanised by it and excited about the investment from ITV – and they know how passionate I am.

"I've come from *Emmerdale* which has done six episodes a week for a long time," adds Kate. "So has my assistant producer, Tony Hammond, and we're unfazed. On *Emmerdale*, they sometimes do seven episodes – so trust us guys, it's easy!"

Doomed Gail is heading for further heartbreak following the news that her husband Michael is leaving the Street. Star Les Dennis, who plays him, tells us it's a departure we won't want to miss...

"As a lifelong fan of the show, playing Michael has been a dream come true," says the former *Family Fortunes* host. "The talented team of writers have come up with a very dramatic exit for Michael, which will be exciting to film!"

Meanwhile, the *Corrie* rumour mill has gone into overdrive with reports suggesting Leanne's sister Toyah Battersby – played by actress

Georgia played Toyah from 1997 to 2003

Georgia Taylor – is making a return to *Weatherfield*.

"Yes, I read that!" exclaims boss Kate. "I love the character, and because Leanne has a big story it would be tempting. Toyah is awesome, but it's just speculation at the moment."

And in addition to the signings of Daniel Osbourne and Adam Barlow, the other gossip is that teacher Brian Packham is also on his way back. Watch this space!

# IRENE'S FATE REVEALED!

## She's being held hostage by her own son...

**V**iewers will finally find out what's happened to missing Irene this week – as we see her tied to a chair, having been kidnapped by her crazed son Mick!

It's been weeks since Irene went AWOL from her home in Summer Bay, and her loved ones have been desperately worried about her. But as Olivia and Chris edge closer to the truth, Irene has given up hope of ever seeing them again...

"Irene doesn't know where she is – it's a deserted house in the middle of nowhere," reveals Lynne McGranger, who plays the Bay stalwart. "Mick hasn't harmed her in any way, and she hasn't really felt threatened

by him. But that doesn't make his actions any less crazy!"

Fans will recall that Mick first turned up at Irene's house on the night of the caravan park explosion, claiming to be Chris' uncle. But as his behaviour became more and more unhinged, Irene realised that something wasn't right, and he eventually revealed himself to be her long-lost child! After Mick made a lunge for Irene and told her that she would never leave him again, the pair vanished – and he's been holding her captive ever since.

"Initially, Irene refuses to believe that Mick could be her son – she thinks he's off his rocker!" reckons Lynne. "She's desperate to convince him to

let her go, to try to talk things through reasonably. But she's on the verge of giving up."

However, Irene is about to be offered a lifeline, thanks to her nearest and dearest back in Summer Bay. After Mick pays Olivia a visit, she realises he can lead her to Irene – and plants her phone in his car before leaping to safety! When Mick finds the phone, he's

furious, and realises that he and Irene need to get away.

"When Mick gets back, he's very distressed – he is behaving even more outrageously than normal," shares Lynne. "He grabs Irene and drags her into the bush. She's terrified! But then Mick gets distracted by something, and she hits him over the head with a rock and runs for it. She's stumbling through the bush crying, trying to find someone to help."

Meanwhile, Olivia has alerted copper Kat to her suspicions about Mick, and the local police force mounts a search for Irene. Will they get to the petrified woman before her psycho son catches up with her?

## IT'S TODD!

Viewers of a certain age

Mick looks familiar – that's

used to be in *Neighbours*!

# LOVE IS IN THE SQUARE!

## Will Kush get lucky at The Albert's singles party?

**K**im hopes to play Cupid to Square singletons this week, when she organises a 'lock and key' dating night at The Albert!

The party – which involves the ladies being issued with a padlock, then trying to find a man with the corresponding key – is a sure-fire ice breaker for lonely locals, and Kim is keen to recruit the hottest totty in Walford to make sure her money spinner is a success. So it's no surprise that hunky Kush is top of her list of fit fellas that she wants to entice into the bar for the night...

### KUSH & DENISE

But Kim's not the only Foxy lady who wants to get her mitts on the market trader! She has no idea that her sister Denise has been flirting up a storm with him over the past few weeks. It's clear that there's a mutual attraction between Kush and Denise, and they've struggled to keep their hands off each other as he puts her through her paces in their training sessions.

The pair may have agreed that romance isn't a good idea – given that Kush's mum Carmel is Denise's best friend – but as Kush and Denise gaze longingly at each other across the market this week, the sizzling chemistry between them shows little sign of abating!

Keen to put Denise to the back of his mind, Kush agrees

to go to Kim's party. But there are red faces all round when the hunk ends up being matched with his own mum – who's also looking for a romantic distraction.

With the night having proved fruitless, Carmel leaves – and Kush is disappointed to not get so much as a phone number. As he heads home alone, will the Walford Romeo be tempted to pay Denise a booty call?

### CARMEL & MASOOD

Meanwhile, Carmel has spent the week lamenting the state of her own love life, as she lusts after former flame Masood. When he encourages her to go for the market inspector's job, she's buoyed by his kind words, and thinks there might be a chance for the pair of them to pick up where they left off.

Taking the bull by the horns, Carmel suggests to Masood that they could give a 'friends with benefits' arrangement a go. So imagine how embarrassed she feels when Mas gets the wrong end of the stick, and insists that he can't be in a relationship with her right now!

It's no wonder the poor woman needs a confidence boost, so she heads to Kim's party, looking for the man of her dreams. But the fact that there's not even a sniff of an eligible bachelor leaves her more despondent than ever. Is there any chance Masood will take Carmel up on her saucy offer?

# Meet the new McQueens!

Myra and the gang are to be joined by three new relatives...

**SNEAK PREVIEW!**

**H**ollyoaks fans had better batten down the hatches and prepare for stormy weather, as there's a gaggle of new McQueens on their way to the village!

Former *Strictly Come Dancing* star Chelsee Healey – who is best known for her previous roles as Janece Bryant in *Waterloo Road* and Honey Wright in *Casualty* – has signed up to play brash cousin Goldie. She'll pitch up in Chester looking for her 'posh' relatives, and will have her 15-year-old twin sons Prince and Hunter with her...

"Tough, gobby and utterly shameless, Goldie never backs down in a fight – and she's always game for a good old-fashioned McQueen scam to make some fast cash!" shares a *Hollyoaks*

spokesperson. "Goldie is hoping to mooch off the family she's scarcely had anything to do with. But the one thing she cares about more than making easy money is her twins, Prince and Hunter, who she had in her teens. She'll go to the ends of the earth for the lads, and will defend them like a lioness!"

Cocky Prince will be played by Malique Thompson-Dwyer, while Theo Graham takes on the role of cheeky graffiti artist Hunter. The trio will give Myra and the other McQueens the surprise of their lives when they rock up this autumn.

Mercedes has been dragged into Diego and Maria's machinations

**HOLLYOAKS** | Channel 4 Monday

# MARRY ME, JOE!

## Mercedes wants to make an honest man of Mr Roscoe...

**M**ercedes McQueen has never been a woman to do what's expected of her – and this week she breaks with tradition by asking her stunned boyfriend Joe to marry her.

The question comes out of the blue for Joe, who starts the week suspecting that lusty Mercedes is having an affair with Diego! Given that he thinks she is playing away, will Joe accept Mercy's grand gesture?

"Joe and Mercedes are hardly a conventional couple, are they?" muses our *Hollyoaks* insider. "Their whole romance was kick-started by an ill-

advised one-night stand – and now they're shackled up together, raising the baby of Joe's serial-killer ex Lindsey! It doesn't get much crazier than that, so Joe shouldn't really be surprised by anything Mercedes throws at him."

Since agreeing to adopt baby Lexi, Joe and Mercedes have actually made a pretty good team as they've navigated the stormy waters of being parents – with Joe's toddler son, JJ, completing their little family. But life is about to get tougher for the two of them after Joe discovers that the Roscoes' garage has been put up for sale

without his knowledge, and there's nothing he can do to stop the family's livelihood being snatched away from them.

Things go from bad to worse for Joe after he finds some suspicious text messages from Diego on Mercy's phone, and jumps to the conclusion that

**“LINDSEY CHEATED ON JOE WITH HIS OWN BROTHER – NO WONDER HE'S WARY”**

she's cheating on him with her mum's fella! Of course, viewers know that she's doing no such thing – the pair are conspiring to keep Maria's drug problems a secret from Myra. But with Joe in the dark, it's only natural he should suspect the worst.

Meanwhile, Mercedes thinks everything is hunky-dory with Joe, and decides it's time to make their relationship official. So after organising a sexy surprise, she pops the question! However, is Joe ready to take the next step with a woman he feels he can't trust?

"Let's not forget that Lindsey cheated on him – with his own

brother, no less!" our mole reminds us. "No wonder the guy is wary of it happening again. Plus, marrying into the McQueens is a big deal, and something Joe needs to give serious thought to."

As Mercedes waits for her man to give her an answer, will Joe agree to the mayhem of a McQueen wedding – or will he break Mercy's heart by calling time on their romance?

# McQUEENS ON THE ROB!

**They're shoplifting clobber for Myra's baby...**

**T**he McQueens are up to their old tricks again this week, as they break into a posh local shop and steal a load of baby clothes!

With Myra expecting her eighth child, and money as tight as it always is for the chaotic clan, the mum-to-be is worried about how she'll provide for her newborn once he or she arrives. But as we all know, the family matriarch has never been one to let a lack of money stop her.

Having struggled to provide for all her other kids, Myra has her heart set on giving her latest little one the best start in life. So she ropes in her loved ones to help with a dodgy scheme...

Armed with fake baby bumps in which to hide their loot, Myra, Mercedes and Celine head to a local store, intending to swipe as much free gear as they can. However, when the snooty owner catches on to what they're doing, the gang are forced to flee the premises – but not before Mercedes gets a look at the shop's alarm code.

Their close call doesn't deter the trio, and they sneak back to the shop later – with the aim of breaking in and robbing it! But as they attempt to grab as much swag as their bumps will hold, will the hare-brained plot land the McQueen madams in big trouble with the law?

Tracy doesn't know  
David has matrimony  
on his mind again

**EMMERDALE** | ITV Thursday

# OH, DAVID... WHAT HAVE YOU DONE?

He brings  
Tracy's jailbird  
father back  
into her life...

**W**ell-meaning wally **David Metcalfe** puts his foot in it again this week. He thinks he's found the perfect way to finally persuade his beloved Tracy to marry him – by reaching out to her estranged father, Frank. But daft David fails to realise that there may be a very good reason why dad and daughter are not on speaking terms...

His troubles begin when he makes the latest in his string of kooky proposals – this time going down on one knee in his shop and slipping a bagel on to Tracy's finger as a make-do engagement ring. David is

sure she'll say yes this time, because his Decree Nisi has just come through, marking the official end of his marriage to Alicia. The fact David was already married has been a real sticking point for Tracy – unfortunately, she immediately comes up with another reason why she cannot marry him.

"Tracy worries that she has nobody to invite to the wedding," explains our Dales spy. "While David has loved ones all over the village, Tracy is a loner and doesn't have any family who could attend – her mum is living in Ibiza and her dad is in the slammer. Of course, David sees this as

his next challenge, and you can practically see the light bulb go on over his head. Soon enough, he's requesting a visiting order to meet his future father-in-law!"

A couple of days later, a resistant Tracy is despatched to look over wedding reception venues with Leyla and Megan, who've reluctantly agreed to

help plan the big day of Leyla's ex. Meanwhile, David slips off to the prison for a face-to-face meeting with Tracy's dad, Frank.

At first, Frank seems as friendly and amenable as can be, and desperate to patch things up with his daughter, whom he calls 'Teenie'. But then, as so often happens with David, the situation slowly slides out of his grasp...

"Frank is in jail for assault," reveals our sneak. "If that's not enough to set the alarm bells ringing for David, Frank then reveals that he's up for early release. Apparently he's been writing to his daughter, and is hoping to stay with her in

**FRANK IS  
UP FOR  
EARLY RELEASE  
– AND HOPES TO  
STAY WITH TRACY  
IN THE DALES!"**

## New feud!

Tracy has more than her dad to worry about this week – as she ends up in a fight with Vanessa.

Things turn nasty when Vanessa sides with Leyla, who is trying to delay the wedding in the hope that David comes to his senses. Like Leyla, Vanessa is less than impressed with the speed at which David and Tracy's relationship has been moving, and Tracy is hurt when Vanessa accuses her of taking advantage of a man fighting cancer. That's when things turn really ugly...

"Vanessa tells it how she sees it," sighs our spy. "This is a person who Tracy considered to be a friend, so it really hurts. They've had a tricky relationship, but Tracy is now certain that Vanessa despises her."

Vanessa hasn't forgotten the time Tracy invited home a random man who burgled the house. That incident, along with Tracy's messy habits and failure to pay the rent on time, infuriated her – so as fists begin to fly, are the two women now at war?

Emmerdale when he's free! David is gobsmacked."

Tracy is appalled to learn where David has been, and is clearly unsettled by the news that Frank is getting out of prison soon – telling David that her dad has played him for a fool. It seems that, by making contact with Frank, David has kicked a hornets' nest, and rather than serving to endear him to Tracy, she's furious with him!

Can David ever hope to persuade Tracy to say 'yes'? And what will it mean for them if conniving Frank comes to stay?

Phelan sets his sights on a new Weatherfield target...

# WATCH OUT, SAL

**T**here's big trouble for Sally this week – when scheming Phelan targets her in his effort to get rich from Jason Grimshaw's inheritance!

The builder spots a chance to manipulate the situation after realising that Sally's position on the council could prove very useful for his new development project. Having sold the idea to Jason – who reckons it's a great moneymaking opportunity to plough his recent windfall into – Phelan seeks out Sally to ask for help. But how will she respond when he asks her to pull some strings to speed up his planning application?

"Sally is always delighted when somebody shows an interest in her council work and treats her as if she's important," shares our *Corrie* insider. "All Phelan does is offer to build her some shelves – and with Sally truly buttered-up, he mentions that there's a favour she could do for him in return..."

**“SALLY IS ALWAYS DELIGHTED WHEN TREATED AS IF SHE'S IMPORTANT”**

Phelan lays out his plans to gullible Sal – but does he get what he wants?

However, when Todd spots Phelan slithering away from Sally's house, he realises what the bully is up to – and decides to put Sally in the picture. Like Phelan, Todd is smart enough

to know how to manipulate Sally, so he invites her for a drink at the Rovers. As they enjoy a chat, Todd brings up the subject of Phelan's project and advises Sally to get all

the facts before she provides any assistance. He tells her the best way to ensure it's all above board is to demand transparency from Phelan and his team as they lay out their case. When Phelan finds the duo talking politics in the pub, he's horrified – and it looks as if Todd has messed up his grand plan.

“Transparency is the last thing Phelan wants!” laughs our source. “He’s the most crooked person around, and his cohort Vinny is just as bad. So when Sally explains she’ll gladly help but being transparent is a non-negotiable condition,

Phelan is furious with Todd for getting involved.”

The next day, Sally sits down with Phelan and Vinny to look over their project and give her opinion on what they have planned. As they congregate in the café, the pressure builds and Phelan loses his rag – but it's not Sally who catches the full force of his rage, it's poor hungover Alex. However, as it gives Sally a glimpse of Phelan's true personality, will it be enough put her off having any further dealings with the ill-tempered bloke?

## Michael loses it with his nemesis...

Michael has been lured to the pub by well-meaning Audrey and Freddie, who are keen to reignite his relationship with Gail, which was put on ice by the pair following Kylie's death.

All seems to be going well until Phelan slimes his way up to the bar and makes a series of digs at Michael – who Phelan usurped in the affections of

Eileen. The red mist descends upon the usually mild-mannered Michael, who flies at his hated rival with his fists raised.

Freddie intercedes, and he pulls Michael away from the fight – but the damage is done. Gail has seen everything, and takes Michael's fury as a sign he still holds a torch for Eileen. Phelan, meanwhile, smirks into his pint of Newton And Ridley, enjoying the fact he has ruined Michael's new relationship just for the sheer hell of it...

## THE BIG INTERVIEW

His character is being duped, but **Kelvin Fletcher** knows full well it makes for stunning drama...

**EMMERDALE** | ITV Thursday

Andy is  
totally fooled  
by Chrissie –  
*she deserves  
an Oscar!*

Award-winning performance: Chrissie's act is tricking everyone

**G**etting with the woman who is both your brother's former wife and the stepdaughter of an ex you're still a bit in love with is a pretty bonkers idea – even by soap standards. But while we anticipated tears and heartbreak as Chrissie and Andy's relationship played out, we didn't expect Andy to be facing an attempted murder charge – and for Chrissie to have framed him for it! And when we sit down with Kelvin Fletcher on the Dales set between scenes, he informs us he's loving the drama...

"I have an amazing summer coming up!" he beams. "Poor Andy – he thinks that Chrissie

is his biggest supporter. She's crying in court, screaming out that he's innocent, the works! She's giving an Oscar-winning performance. Andy has no idea what she's really up to. He's actually more worried it's going to kill Chrissie if he ends up in jail. She really is that convincing! I'm already feeling sorry for Andy – and I'm sure the audience will, too. When he realises what she's done to him, he'll be heartbroken!"

While Chrissie's actions against Andy are entertaining for viewers, Kelvin admits he's quite worried about the impact of a life sentence on his own future at *Emmerdale*.

"I started thinking that if Andy is in prison, I should book a long holiday!"

## "ANDY THINKS THAT CHRISSIE IS HIS BIGGEST SUPPORTER..."

laughs Kelvin. "The trial is lengthy, and attempted murder is a big charge to face. It's not like Andy's just been caught nicking a bag of sweets. When he was first accused, he thought it was ludicrous, but the sheer amount of evidence Chrissie has been able to plant on Andy is incredible. The chance of him being sent down is very high!"

However, there might be one hope for Andy. While Chrissie is putting Meryl Streep to shame with her acting, her son Lachlan – who actually pulled the trigger on his grandfather Lawrence – is coping badly with the consequences of his actions. So it's not good news for Chrissie when he decides to pay a visit to Andy in prison.

"Andy knows that something is going on with Lachlan, and he keeps pressing him about it," says Kelvin. "There is something that Lachlan isn't letting on, and it could

be the lifeline Andy desperately needs."

After Andy makes the call to his lawyer Rakesh to put pressure on Lachy, Chrissie responds – by revealing to the brief that she knows he started the deadly Mill fire. So soon, Andy's own lawyer is actually helping the case Chrissie is building against him!

"Andy's at panic stations – he is aware that somebody is doing an amazing job of framing him," explains Kelvin. "He's adamant someone is out to get him, and if they aren't stopped, he'll go to prison. There's a point where Andy accepts he's going down. He begs Rakesh to look after Chrissie, and to tell her that he loves her!"

## THE BIG INTERVIEW

### » FROM PREVIOUS PAGE

This plot sees Chrissie become a real soap superbitch – with poor, innocent Andy the one facing her wrath...

"People love to hate a character, don't they? Kim Tate is proof of that!" reckons Kelvin. "If it means Andy gets hurt along the way, so be it! It's a huge testament to Louise [Marwood, aka Chrissie] that *Emmerdale* has asked her to take up this mantle – I'm sure she's going to deliver."

But what about when Andy finds out what Chrissie's done to him – does Kelvin think Andy will head to the dark side too, and deliver a counter-attack?

"That's not in Andy's nature," muses the star. "Andy would just have no idea

## "I'M SO LUCKY TO HAVE MADE A CAREER OUT OF MY HOBBY"

why somebody would do that to him, especially someone he loved and supposedly loved him back. He won't be able to understand how anyone can be so cruel."

The dramatic plot comes as Kelvin celebrates 20 years on the show, which he first starred in aged just 12.

"It doesn't feel like 20 years," he tells us. "I'm so fortunate to have been able to make a career out of something that was my hobby. Not a day goes by when someone doesn't recognise me and give a comment on the storylines, and that's

great. I would do the same if I was a keen viewer. Someone in the shop telling you that you're doing great is just as important as winning awards."

And as well as his two decades in the Dales, Kelvin has another significant life event to celebrate – his wife, Liz Marsland, is about to give birth to their first child.

"The day I found out Liz was pregnant and my wedding day were the best days of my life," he gushes. "There's no better feeling than the idea of being a family."

## ANDY SUGDEN: AN INNOCENT MAN?

Chrissie has set him up for attempted murder, but Andy's no stranger to criminal antics. In fact, the legacy of his illegal behaviour makes for shocking reading – and could cause some people to wonder if karma has finally caught up with him...

### ARSON!

Teenage Andy decided to help dad Jack out of a financial bind by torching his barn so he could claim on his insurance. The trouble was, his mum Sarah became trapped by the blaze and burned to death. It continues to haunt Andy to this day.

### HIT-AND-RUN!

Not long after, Andy was in bother again when he and a car full of teenagers mowed down and killed their head teacher, Barbara Strickland. Instead of coming clean right away, the gang took weeks to confess.

### SHOOTING!

After wife Katie left him for his brother Robert, Andy wanted revenge – and planned to shoot his sibling! But the gun went off accidentally and he shot dad Jack instead.

### WIFE-BEATING!

Andy's marriage to Jo Stiles was pretty disastrous, especially as he couldn't control his jealousy around her. That led to a horrendous campaign of domestic violence that Jo was forced to escape.

### MURDER!

After learning Robert was responsible for his wife Katie's death, Andy vowed to kill him. He and Ross cooked up a plot to murder each other's brothers – but no one ended up dead this time!

# “Nick is paranoid that he’ll be made a fool of again!”

## The Bistro feud reaches boiling point, and someone’s going to get hurt...

**I**n the months since Carla’s departure, the one thing that’s kept Nick warm at night is his burning hatred for Robert – the man who, as Nick sees it, wrecked his marriage before it had begun.

Of course, it’s not really Robert’s fault. He wasn’t the one who cheated on Nick and then lied about it till the bitter end – that was all Carla’s doing. But she is living a new life in Devon while Robert is on the Street, living Nick’s – because it wasn’t just Nick’s woman Robert took, it was his restaurant, too. And so it is that all of Nick’s vengeful fury is now channelled into bringing Robert’s business to its knees...

“Carla’s not there, so Nick has to direct his hate somewhere!” laughs Ben Price, who plays him. “Nick really wants to ruin

Robert, get him out of the way and take his Bistro back. He’s confident he can do it.”

Whether Nick likes it or not, Robert is the sole owner of the place these days, and he’s not selling. So the gifted businessman is plotting a different route to revenge – by setting up a rival restaurant next door!

“Robert is a fine chef, but he can’t run a business,” explains Ben. “Nick can’t cook an egg, but he understands what it takes

### “NICK REALLY WANTS TO RUIN ROBERT AND GET HIS BISTRO BACK”

to make a place successful. Robert is no match for Nick. He’s nowhere near as crafty. Nick’s plan is to either reclaim the Bistro or ruin it. Robert had the chance to hand the place back when the truth about Carla came out, but he didn’t play fair. That’s why Nick plans to drive him down.”

This week, the perfect opportunity comes when Robert reaches breaking point. Having turned to the bottle to cope, the cook is a mess – and a row with Zeedan sees the young sous chef walk out. The next day, as hungover Robert drives around to buy stock, Nick seizes his chance and tips off the police, who arrest Robert on suspicion of driving under the influence.

“It’s another little nail in Robert’s coffin,” reckons Ben. “It’s child’s play, really. Nick hopes it will be the beginning of Robert’s demise because he’ll realise he can’t do it all. Robert is trying to be the Bistro manager, the head chef and drive the van. There’s no way he can cope.”

It might seem like a triumph for Nick, but it quickly sours. Any joy he may have felt about the small win disappears when Leanne finds out what he’s been up to.

“Leanne is so sick of this!” shares Ben. “She just wants the two of them to sort it out and get on with their lives – especially Nick. She knows this isn’t good for him, and he is her priority.

The revenge that Nick is fixated on now isn’t good for him, and Leanne tells him that. Nick will always listen to her because Leanne is smart and good at what she does. So when she begs him to

Cops and Robert: The Bistro boss is arrested for drink-driving

Battle of the Bistro: Leanne is fed up of Robert and Nick’s feud

stop all this with Robert, Nick knows that Leanne is trying to save him.”

Fortunately for everyone, Leanne’s words hit home, and Nick goes to say sorry to Robert. And in a shock turn of events, Robert accepts his apology – and offers him a share of the business back. After some

wrangling, a 50/50 deal is struck, but on the condition Leanne returns as the manager.

“Nick accepts this as he thinks that he’ll be able to squeeze

Robert out altogether eventually!” admits Ben. “He’s paranoid about being made a fool of again, and so he’s worried about how close Leanne and Robert are getting. But I don’t think, deep down, he believes it’s anything other than friendship. It’s just that Carla has made him over-anxious.”

However the trio make it work, it will be fascinating. And as Leanne and Nick’s bond tightens, Ben’s glad to be working with Jane Danson – who plays Leanne – again.

“Jane and I work together brilliantly,” he grins. “Our characters have history, and they are both essentially good people. It will be interesting to see where this ends up...”

**KATE WHITE**

## *Brothers* **IN ARMS**

### **NICK IS GOING TO STAND BY DAVID...**

The other big relationship in Nick’s life is the one that he shares with brother David, who’s going through hell right now.

It was Nick’s one-night stand with Kylie that almost finished the Platt marriage, and drove David to try to kill his brother in an accident that left Nick brain-damaged. But much like Nick’s bond with Leanne, all this history only serves to pull the brothers together in crisis.

“David helped Nick when Carla left, and Nick is helping David now he’s lost Kylie,” says Ben. “I think Nick will be the only person David can talk to.”

Of course, the brothers’ relationship has changed over the years, and that’s kept it fresh for Ben and Jack P Shepherd (David).

“They aren’t so much older and younger brother now – they’re just brothers,” reckons Ben. “Nick damaged David, and David damaged Nick, but they’re even now – and both damaged from what they’ve been through!”

# Elly is not necessarily who she says she is!

**NEIGHBOURS** | Channel 5 Monday

As her alter ego causes havoc all over Erinsborough, actress **Jodi Anasta** tells us that there is a softer side to brash Elly...

**E**lly Conway may only have been on Ramsay Street a matter of weeks, but she's certainly made a fair few enemies for herself in that short time! She managed to get Piper off side by flirting with Tyler, and even her old pal Steph wants nothing more to do with her after finding Elly fawning all over her fella, Mark.

However, while the ladies of Erinsborough aren't Elly's biggest fans, *Neighbours* viewers seem to love the new arrival. And this is great news for Jodi Anasta, who plays her...

"I have the best character!" grins the star, who was already well-known to Aussie soap fans for playing Martha MacKenzie in *Home and Away*. "Elly is a lot of fun and a lot of trouble, but she keeps my days interesting! I feel like I've really settled in now, and this past week has been my most exciting one on *Neighbours* so far. I can't believe some of the things I have to do."

While Elly hasn't really cemented herself as a girls' girl so far, she's

One Ell of an introduction: The newcomer has had a busy first few weeks

Mother-daughter time: Jodi misses her toddler when away filming

definitely caught the attention of the local fellas! The Brennan brothers in particular have been enjoying her flirtatious ways – but Jodi insists that her playful alter ego means no harm.

“Elly is a good-time girl, she just wants to have fun,” reckons the actress. “She flirts with so many people, although she’s really not trying to pick them up! She has a scene with Susan where she says, ‘I flirt for fun – it’s

just entertainment’. That’s just her, she’s always looking for the next exciting thing to do.”

She may be the life and soul of the party, but last week we saw a more vulnerable side to Elly after she discovered she was pregnant – then sadly lost her baby. This tragic turn of events leaves Elly devastated, and in the coming weeks, we’re set to learn more about who she is.

“When Elly first came to Ramsay Street, she gave everyone this spiel about her life,” explains Jodi. “But as different incidents occur, things that have happened in her past begin to be revealed, and it gives you a bit of an insight into who Elly really is. And she’s not necessarily who she says she is...”

The only person who’s so far managed to break through Elly’s walls and get to the heart of what’s really going on is her beloved aunt, Susan. And Jodi informs us she’s having a ball

working with Jackie Woodburne, who plays her on-screen relative.

“The relationship Elly has with Susan is such a beautiful one,” she enthuses. “It’s kind of a mother-daughter relationship, and Jackie and I have had some really great scenes together. I just adore working with her – and Alan [Fletcher, who plays Karl], too! Their energy on set is so much fun.

“Jackie and I have had quite a lot of emotional scenes, and I love that Susan can always get that side of Elly out. It’s nice for the viewers to see, because Elly puts on a front most of the time.”

It’s clear that Jodi is loving being

part of the *Neighbours* team, even though it means splitting her time between Melbourne – where the show is filmed – and her home in Sydney.

## “I CAN’T WAIT FOR MY DAUGHTER TO SEE ME ON NEIGHBOURS!”

It’s also her first full-time role since becoming a mum to her two-year-old daughter, Alecia, but she tells us she’s keen to set an example for her little girl.

“I really miss Alecia when I’m here in Melbourne,” she admits. “But it’s so wonderful to be working and have a job like this. I know I’m teaching Alecia a lot about work ethic, and working hard to create the life that you want.

“Luckily, I have support from my friends and family, and of course Braith [Alecia’s dad, who Jodi is separated from]. As long as nothing gets in the way of me having time with my daughter, then it all works itself out. And I can’t wait for Alecia to see me on *Neighbours*!”

**SARAH ELLIS**

## Strewth!

**JODI IS NO** stranger to soap drama, having played *Home and Away*’s Martha MacKenzie from 2005 to 2010.

As Alf Stewart’s granddaughter – who had been given up for adoption as a baby – it was clear that Martha wasn’t in for an easy life! Her on-off relationship with local copper Jack Holden was a firm favourite with viewers, and the pair married twice, before Jack was tragically shot dead.

During her time in Summer Bay, Martha was pregnant twice, had

her wedding reception blown up by a stalker, battled breast cancer, and became a stripper – then went on the run after becoming involved in a people-smuggling racket. Phew!

# “There are going to be fireworks between Joanne and Mercedes”

As her character plots to get her claws into Joe, actress **Rachel Leskovac** can't wait for the battle to commence...

**J**oanne Cardsley might not have many friends in Hollyoaks after destroying Louis and Simone's marriage, then bedding their teenage son Zack – but *Inside Soap* can't get enough of her antics. We love that she goes all-out to get what she wants, without a second thought for anyone she has to walk over in the process!

This week, Joanne plots to split up another couple after setting her sights on mechanic Joe – and vows to do everything in her power to get him away from Mercedes. But as we sit down for a chat with actress Rachel Leskovac, who plays the home wrecker, she insists her alter ego isn't the wicked woman everyone believes her to be...

“I don't see Joanne as a malicious person – her intentions always come from a good place,” explains the star. “She's very driven, and she just doesn't understand why Joe would want to be with Mercedes when he could be with her instead! She's got a lot more to offer him – she's very stable, loving

and kind, and she's willing to take on his kids and be the girlfriend he deserves.”

It doesn't take Joanne long to jump to the conclusion that Joe's the man of her dreams! Just last week she was lusting after Liam, and when he dumped her following their romp, she was bereft. So much so, she decides to take revenge.

“She's angry at Liam for hurting her, but probably more angry with herself,” reckons Rachel. “She was grieving for her mother, and in a very vulnerable position. She jumped in with Liam far too quickly and scared him off – now she feels very foolish, and he just can't get away with that!”

With the help of her new best pal James, Joanne serves up her own brand of revenge for Liam – and while we can't reveal exactly what she does, we can say it's hilarious! But Joanne doesn't dwell on it for long...

“It's one of those classic romantic moments,” reveals Rachel. “Joanne accidentally drops her scarf on the floor,

Have no Mercy: Ms McQueen won't give up Joe without a fight!

and gallant Joe happens to be walking past and picks it up. She locks eyes with him and thinks, ‘He's just gorgeous!’”

Little does she realise that Joe is already spoken for – and his girlfriend Mercy is not someone you want to mess with. But Rachel reckons that Joanne is more than up for the challenge of taking on a McQueen.

“I don't think Joe having a girlfriend will stop Joanne from pursuing him!” chuckles the actress. “She's certainly picked a force to be reckoned with in Mercedes, but Joanne herself is not exactly shy and retiring. There are going to be fireworks!”

When James bets Joanne that he can split up John Paul and Scott quicker than she can destroy Joe's romance with Mercedes, she's happy to agree to the wager! *Inside Soap* is delighted at the prospect of the two dastardly lawyers teaming up to wreak havoc – and we're not the only ones.

“I think it's brilliant,” grins Rachel, who played *Corrie*'s Natasha Blakeman from 2008 to 2010. “Greg [Finnegan, who plays James] and I worked together years ago, so I was thrilled that we'd be teaming up. He's a phenomenal actor, and I feel like I'm raising my game when I'm with him.

“Aside from the naughtiness, you'll be seeing a softer side to both characters. It's nicer than dismissing Joanne as a bunny boiler – she's a hopeless romantic, really!”

# Shayne WARD

AIDAN CONNOR

## “A love triangle with Eva and Maria? I’m not complaining!”

**C**harm and good looks are a handy combination when you run a factory full of women – so being the boss of *Underworld* is all in a day’s work for Aidan Connor. His luck was in when blonde bombshell Eva fell for him – but now Aidan has everything to lose, thanks to his foolish fling with Maria! Fortunately, the Connors are no strangers to a good old-fashioned showdown – something that Best Newcomer and Sexiest Male nominee Shayne Ward is intensely grateful for...

**So there’s double trouble for Aidan, but it’s a double nomination for you, Shayne! Are you feeling chuffed?**

Well, I’m in the middle of eating a sandwich, and probably shouldn’t be having bread since I’m nominated for Sexiest Male! I always get a bit embarrassed about stuff like this – but I’m flattered, and of course my mum will be very pleased. “That’s my boy”, she’ll say! I’m really humbled about being up for Best Newcomer – and it’s going to be a public vote, too, which is amazing.

**When you joined *Corrie*, did you worry that your background as a singer might mean some viewers wouldn’t take you seriously?**

I think you’re always going to be pigeonholed, but Kym Marsh [Michelle] is the perfect example of how it can work out. She came from Hear’Say and has done incredibly on *Corrie*. Nominations like these do help with your confidence, because it means people like what I’m doing. But I’ve got so much more to learn, and I’m doing that every day.

**Are you missing working with Alison King, who played Carla Connor?**

It was so great working with Ali – she’s such a talented actress. I really looked up to her, and she had a way of helping me that wasn’t patronising. I just felt very comfortable around her. She’s greatly missed by everyone at *Coronation Street*.

**Is there anyone among the cast who you’d like to work with that you haven’t been involved with much?**

I’d quite like Aidan to have a few more mates – it’d be nice

to get a bit of bromance going. And everyone wants more scenes with Phelan, so it would be great if Aidan could take him on. I reckon he’s got something that could tip Phelan over the edge, and I do think they’re a match, without a shadow of a doubt!

**With a love triangle on the cards for Aidan, are you braced for a catfight?**

I’d love that! Aidan would definitely be the loser in that scenario – but with Eva and Maria in the mix, I’m certainly not complaining! I’m having such a great laugh, and we can’t wait to find out how the viewers will react. Aidan’s really into Eva, even though he won’t admit it – but he realises there are certain qualities about Maria he likes, too. He just can’t go there!

**Are we going to see a different side to Aidan in the aftermath of his one-night stand with Maria?**

I think you will. He is his father’s son, but he’s got to start following his own path – come out of his shell and stop trying to be the big man all the time. That’s the advice

I’d give him. Put your hand up to your mistakes and say sorry!

**What kind of prize would you give to a cast mate?**

I’d give a Ray of Sunshine Award to Cath [Tyldesley, who plays Eva] and Dan Brocklebank [aka Billy]. When you’re in a scene with them, you know you’ll be laughing – Cath and Dan keep everyone buzzing.

**You grew up watching *Corrie* – so what do you reckon the secret of its success is?**

People love it because they can relate to the storylines – the show always delivers real-life drama. It’s about everyday life and emotions. Everyone at *Corrie* always works hard – it’s not an easy job to do, but it’s so worth it. I’m very excited to be part of it, and it’s such a wicked job to have!

**Sneak preview!**

“Aidan should stay indoors for the next few months!” muses Shayne. “He’s trying to cover his tracks after sleeping with Maria, but it’s going to get heated. Eva knows something is up – and when she blows, she can be a bunny boiler!”

KATE CONNOR

**F**eisty Kate may have arrived on the cobbles wearing an engagement ring, but it didn't stop Sophie from making a play for Carla's gorgeous sister! And actress Faye has bagged herself a nomination in the Sexiest Female category...

**Congratulations on your nomination, Faye! How does it feel being one of Corrie's Sexiest Females?**  
It's really overwhelming, because the other nominees are absolutely stunning! I'm all about women empowering women, and this is liberating. I'm really excited and I'm going to go with it.

**Have you embraced being one of the Connors?**  
Absolutely! Shayne [Ward, aka Aidan] and Richard [Hawley, who plays Johnny] are just like a brother and dad to me. Shayne is always irritating me as a brother would, and Richard greets me with a hug and says, "Fill me in on your weekend, poppet"! I miss Ali King [Carla], too. Kym Marsh [Michelle] and I share a dressing room, and we haven't stopped talking about her since she left.

FAYE'S DRESS FROM WWW.DIARYSTYCE.CO.UK

**Are you pleased Kate has found such a good friend in Sophie?**

I've really enjoyed playing that because Sophie is such an iconic character, and it's really nice to have someone as experienced as Brooke [Vincent] by my side. Viewers of the older generation always tell me to make sure I take care of Sophie, but I'm not sure whether I want them to get together. I like that it could go either way at the moment – that's half the fun!

**Is Kate going to see less of Caz now that she's given her the elbow?**

No, I'm still filming with Rhea Bailey [Caz]. As far as Kate's concerned, Caz is someone else's problem now – but Weatherfield is a small place, so they're bound to bump into each other. Their relationship has completely changed, and I'm having much more fun now they're not a couple.

**What other storylines have stuck out for you?**

Kylie's death was fantastic. I think Jack [P Shepherd, aka David] was brilliant and really proved his skill as an actor. I watched that episode at the gym, and had to stop because I was worried someone would see me with tears streaming down my face – I was absolutely bawling!

**What are you hoping Kate will do next?**

I would really love for her to establish her purpose in Weatherfield and start a career – the world is her oyster! She's found a home and is surrounded by her friends and family, so I think the last piece of the puzzle is a job. Kate can't be packing with Kirk forever!

**Sneak preview!**

"Kate's kind of going to get up to her old tricks again and stir the pot," grins Faye. "I'm filming a lot of stuff at the factory, and Kate is also spending time in the gym and having fun with some of the other female characters. Expect sarcasm and unpredictability!"

## "I was crying at the gym watching Kylie's death!"

ALEX WARNER

**A**lex has certainly livened up Roy's Rolls since moving in, giving his Auntie Cathy – and poor Roy – the runaround with his cheeky antics. But he's also proved a breath of fresh air for the couple, and with his mum Nessa currently living it up in Bali, he looks set to be keeping them busy for the foreseeable. Actor Liam – a self-confessed *Corrie* super-fan – couldn't be happier to call Weatherfield his television home...

## **What's the best thing about being in *Corrie*?**

The best thing for me is everyone here – they're all brilliant. I've watched the show since I was a little boy, and if I was on *Mastermind*, *Coronation Street* could be my specialist subject!

## **What's it like working so closely with Melanie Hill, who plays Cathy, and David Neilson, aka Roy?**

I'm in safe hands with Melanie and David, and Melanie reminds me of my own mum. My mum comes on to the *Corrie* set all the time – she was star-struck about meeting Jimmi Harkishin, who plays Dev, because she's got a bit of a crush on him! But he was really nice to her.

**“If I went on Mastermind, *Corrie* could be my specialist subject!”**

## **You must have a lot of funny moments behind the scenes.**

The funniest thing is that I can never open the door in Roy's Rolls to get out! And after Alex had his party in the café, when Roy walked in, David slipped on a pizza on the floor. They ended up keeping that bit in the final cut, but I was laughing my head off in the background – I couldn't help it!

## **You're nominated for Best Newcomer alongside Shayne Ward (Aidan) – is there any rivalry between you guys?**

We do have a bit of friendly rivalry. We've got an arm-wrestling competition going – but I've beaten him three times so far, so I'm reigning champion! We've also been making Dubsplash videos. We've just done one using *Can't Feel My Face* by The Weeknd, and Sue Nicholls [Audrey] is in it! They're all on Shayne's Twitter. I'm looking forward to doing some more.

## **Is there anyone you'd like to be in more scenes with?**

I'd like to work with Tina O'Brien, who plays Sarah, more. I've known Tina since I was little. I think her scenes are brilliant – I always watch her acting on screen, and I've learned a lot from her. I'd also like to have more scenes in Audrey's salon, but Alex is too cool to have his hair cut there!

## **Who's given you the best advice since you started?**

Ryan Thomas [Jason Grimshaw] gave me good advice. He said that if you mess it up, just think of someone pretty in your head, and then it'll go well. And it works! But my biggest inspiration is Charli, my tutor from [professional theatre company for learning disabled actors] Mind The Gap. She's helped me a lot.

## **Sneak preview!**

“I think Alex is going to carry on being quite naughty, but he and Phelan will be making some plans together,” Liam tells us. “It's going to bring out more of Alex's vulnerable side. We've only seen his cheeky side so far, so I'm really looking forward to that...”

*Connor*  
**McINTYRE**  
Pat Phelan

**D**astardly Pat Phelan has been conspiring against most of the Street since he returned to the cobbles – but has still fooled almost everyone into thinking he’s an all-round decent bloke! His schemes have caused havoc for Anna, the Grimshaws and even Norris – and as actor Connor reveals even more residents are about to get caught up in Phelan’s deception, it’s no surprise he’s in the running for the Best Bad Boy category...

**You’re up against Bruno Langley (Todd) for Best Bad Boy, but who do you think is the craftiest cad on the cobbles?**

Well, Todd has his twisted little ways, but his Achilles heel is his family. Despite all the fallings-out, he really cares about his mum and Jason and deep down he’s decent, but Phelan isn’t like that. Nothing gets in the way of what he wants – not so far anyway!

**Was it nice to be part of Ryan Thomas’ (Jason) exit?**

On a personal level, it was a privilege to be part of Ryan’s story, and I think it was done in a credible way – as Phelan just nudged Jason where he needed a nudge. It was great to be stood outside the Grimshaws’ alongside this family who joined together 16 years ago. Ryan’s a really cool young man and I miss him very much, as many others do.

**Which other characters in Weatherfield have you enjoyed working alongside?**

I can’t tell you how thrilled I was when I got my first scenes with Norris – and then with Rital! That was brilliant. And I had my first scene with Jimmi Harkishin [Dev] the other day. Phelan is starting to make his way through the Street and he’s befriending everybody. It’s great!

**How have the viewers been responding to Phelan?**

One message sticks out in particular. I had a tweet from someone whose great aunt asked them to write a letter to ITV telling them to poison Phelan! Isn’t that wonderful?

That made me laugh a lot. But the most common reaction from the audience seems to be that they still hate Phelan, and they want him to stick around because they’re enjoying him causing trouble at the moment.

**And why do you think the fans love watching his scheming so much?**

Well, he’s not too bad is he? He hasn’t killed anybody – yet! He has the potential to be very twisted in his thinking, but so far nobody has suffered too much. The writers have created a fluid character in Pat Phelan where one minute you warm to him, and the next you see he’s up to something else! It’s a beautiful trick and I think people really like that.

**Have any of the other soaps impressed you this year?**

*Emmerdale* has been fantastic. There have been some terrific performances, and so they thoroughly deserve some awards. It’s on before *Corrie* so I watch both of them as a fan.

**Do you worry that being a villain could mean Phelan’s**

**days are numbered? Or do you like how it’s playing out?**

Well, we assume that soap law demands that the bad guy gets his comeuppance in the end – but you never know! There are lots of obvious candidates who could be the eventual cause of Phelan’s downfall, and I’m sure the writers will make it interesting if and when that time comes. But one of the things I’m most proud of is that whatever happens to Phelan, I’m now part of that *Corrie* story.

**Sneak preview!**

“An associate of Phelan’s called Vinny is arriving, and he’s very excited by that,” warns Connor. “He’s played by great actor Ian Kelsey, and the plans that Vinny and Phelan are cooking up start to come together. Everybody becomes embroiled in the whole scheme! With Phelan, all is not enough and you’ll see what his plot is very soon – it’s very interesting indeed. I think the audience will be really surprised by what’s still to come...”

“Phelan is making his way through the Street – I was thrilled to get my first scene with Norris!”

# Elle MULVANEY

AMY BARLOW

**Y**oungster Amy is yet to even reach her teens – but with her wily ways and cunning schemes, she's already showing signs of following in the footsteps of her terrible mother Tracy! We're loving watching Amy coming into her own, and for 13-year-old actress Elle – who plays her – life on the Street couldn't be any better. However, that's not to say the nominee for Best Young Actor doesn't still have to do her homework...

**Can you remember your first day at Corrie?**

Yes, I loved it! My first scene was with Anne Kirkbride [Deirdre Barlow] – I adored Annie. I remember sitting on her knee. She was a lovely person to do my first scene with. I was very nervous – but she kept saying, "Don't worry, you'll be fine". I'm very lucky to be a Barlow!

**Is it tricky, having to juggle school work with your work at Coronation Street?**

It's not too hard. I have a tutor at Corrie, and they email all my work into my school. Sometimes it means I can get ahead – when I'm in class I already know what we're doing as I've learnt it with my tutor! But I broke up for school holidays today, so I'm excited about that.

**Do you watch Corrie when you're at home?**

I do sometimes. I watched Kylie's death episode, which I thought was amazing. I sat there feeling really upset. I don't always like seeing myself on television, though – I really can't stand the sound of my own voice!

**Is there anything that you still find particularly difficult about your job?**

Crying on command – I just can't do it! I have to use a special tear stick sometimes. I'm getting used to it, though. Luckily, Amy is more of a moody character than a crying one – and I can do moody!

**What's it like working with the dog who plays Eccles?**

I love Eccles – and we also work with Freckles, who's Eccles' twin. Eccles likes to walk all the time, but Freckles just sits down and won't move. He's a bit of a diva dog! So if you want Eccles to move, you get Eccles in, but if you want him to sit down, then you use Freckles.

**What's the best thing about working with Kate Ford, who plays Amy's mum Tracy?**

She's just very funny – but I don't think it's on purpose all the time! She always tells me stories about her little boy Otis. He's the same age as my brother. I've met him when Kate's brought him to set, and he's a very nice lad. I don't think he minds that Kate is my pretend mum.

**Sneak preview!**

"I don't know yet if Amy's going to get any naughtier than she is already – it could go anywhere!" teases Elle. "After her boyfriend Sam dumped her recently, I'm not sure if she'd want another, but it would be funny to see what would happen if she did..."

**"I'm very lucky to be a Barlow!"**

## On the sunny side of the S

It was nice while it lasted, wasn't it? As temperatures soared across the country, the stars of soap managed to fit in a few rays between scenes – and it seemed that Corrie's **Jack P Shepherd** was more than happy to

take a break from David's woes as he chilled by the Rovers. Not to be outdone, his co-stars **Jane Danson** (Leanne), **Tisha Merry** (Steph), **Samia Ghadie** (Maria) and **Kym Marsh** (Michelle) relaxed on the flags outside Emily's house. We're not sure Norris would approve! Away from the cobbles, **Daniel Brocklebank** made an eye-catching alteration to vicar Billy's shirt that might give the bishop a turn! **Simon Gregson** (Steve) and **Dean Fagan** (Luke) had the best idea of all, though, hotfooting it to Tatton Park for the RHS Flower Show. Finally, across the Pennines, **Sophie Powles** (Holly) joined screen bro **Adam Thomas** (Adam) in the glorious Dales sunshine.

**H**ollyoaks actress **Jennifer Metcalfe** (Mercedes) had another gong to add to her collection, as she picked up the prestigious prize for Rear of the Year recently. The star won the title alongside movie star **Tom Hiddleston** – whose busy schedule meant he couldn't attend the photocall. "Don't spend years trying to change a certain part of your body," said Jen. "It will probably never change, because it's just in your genetics." Wise words!

Meanwhile, Jen's former cast mate **Jorgie Porter** (Theresa McQueen) has been spotted out and about in LA, and seemed to be giving her screen cousin a cheeky run for her money! Jorgie has also been seen walking a boisterous terrier and getting her barnet seen to in a top salon – is she about to make the leap into a Hollywood career?

# Party politics

**T**hey may be selling sexy underwear, but this series has been far from a load of pants (sorry!). ITV's drama about a group of Ann Summers demonstrators in 1980s Sheffield has been a hit with viewers and a regular bright spot in our Monday night viewing. The series reaches its conclusion this week as Steph makes plans for a major event showcasing lingerie to local women – the biggest thing the group has organised to date.

"Steph's journey has been all about her confidence growing," shares Sophie Rundle, who plays her. "It's about her discovering that she has more in her than she originally thought, which is such a lovely thing to see after watching someone who was incredibly shy and

nervous trying to explain a box of vibrators to a room full of women. I don't think I could do that, and I'm a professional actress!"

While Pauline has her doubts about the event, Dawn is well and truly on board – even to the extent of putting forward new husband Russell to model some of the men's products that they sell – which don't leave much to the imagination. While Russell goes along with the suggestion, his boss Brian is horrified by the idea.

"Dawn definitely wears the trousers in the relationship," chuckles Sharon Rooney,

***"I couldn't explain  
vibrators to a room  
full of women!"***

**SOPHIE**

who plays Dawn. "But there's a lot of love there, and he loves her just as much as she loves him. Their relationship makes me want a Russell! Will Merrick, who plays him, is such a lovely guy. Russell and [Dawn's brother] Stanley are her main reasons for getting up in the morning, she absolutely adores both of them."

Thanks in part to a well-crafted, spot-on soundtrack, the series has generated a load of nostalgia for the 1980s – but for Penelope Wilton, who plays Pauline, the one thing that most helped to set the mood for her was the house that she filmed in.

"They found a property in Sheffield that was a complete replica of a 1982 house," she recalls. "It has all those fawn walls, and the kitchen was all brown – there's a lot of brown. I remember I had a cork wall then, people were very keen on that! It's really

CS

lovely – a lot of open-plan started then, and the staircase without a bannister. It's a wonderful house, and a very beautiful replica of that time. It took me back."

And of course, we can't let the series go without a few more words about those memorable 80s fashions – which the cast have very much taken to heart.

"I remember it from the first time around!" admits Angela Griffin, who plays Nita. "I'm sending pictures to my mum, and she's going, 'Oh my God, I remember having something like that!'. I'm quite liking it – I love just wearing stuff that I would never normally wear, and having a hairstyle that I would never usually have. And I really enjoyed getting to talk with my full accent, which I don't think I've done for absolutely ages – usually I've got a Manchester one, but never my full Yorkshire!"

## What do you mean you're **NOT** watching...

**ROBOT WARS** | BBC2 Sunday

**REVIVING A TV SHOW** is a dangerous game, get it wrong and you alienate new viewers, and run the risk of upsetting fans of the original. **However, we're happy to say that BBC2's new and improved Robot Wars seems to have got the balance right.** Presenting team Dara Ó Briain and Angela Scanlon are a great counterbalance to the excitable commentator Jonathan Pearce. We're impressed by the robots so far, too – and the battles are faster and far more intense than we can remember in the 90s. **It's all totally daft, of course, but it knows exactly how daft it is** – that's why it works.

Actor **Danny Kirrane** picks his dream viewing...

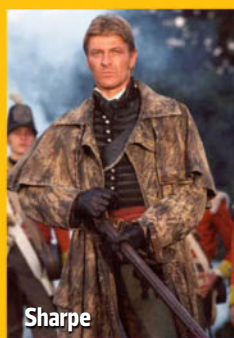

**I recently watched *The Sopranos* again.**

I know it's not on TV at the moment, but I saw it again because I think it's the best TV show of all time. I really love cooking shows such as *Saturday Kitchen* and *MasterChef*, and I watch quite a lot of live sport, too.

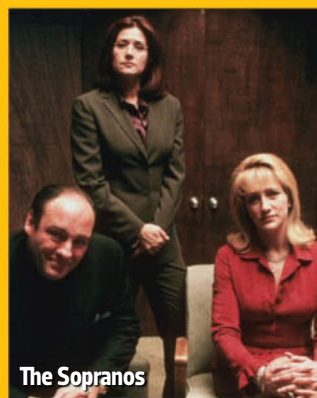

**I watched the film *Victoria* recently – it blew my mind.** I also

rewatched *2001: A Space Odyssey*. I did physics with astrophysics at university, so I'm still a bit geeky in that respect. But part of me doesn't care if it's realistic – there needs to be a bit of artistic licence, otherwise it might be quite boring!

**I really love documentaries** – the music documentaries on the BBC and *Dispatches*. We make fantastic documentaries in this country. And I like to unwind with *Gogglebox*, if

**VERSAILLES** | BBC2 Wednesday

## Royal rumble

**George Blagden and Alexander Vlahos reveal hidden tensions in the king's court...**

**H**istorical drama *Versailles* comes to a dramatic conclusion this week, as the court traitor strikes out at those closest to the king. One of the victims, seemingly of poisoning, is Henriette – Louis' mistress and wife of his brother, Philippe. As Louis and Philippe both rush to her aid, her divided affections are causing another rift between the pair.

"Philippe sleeps with his own wife out of duty, but she's in love with his brother – it's that weird triangle," explains Alexander Vlahos, who plays

Philippe. "There were scenes where the king comes in, and Philippe has to get out of bed so the king can sleep with his wife! It's the first dysfunctional family of Europe."

With Henriette at risk and a traitor on the loose, Louis is forced to put Versailles into lockdown. It's sure to challenge the brotherly bonds, but Louis' more ruthless side is one that actor George Blagden has really enjoyed playing.

"Up until this point in my career I've played quite nice guys!" he grins. "It was just great fun being able to play

someone who was on that knife-edge of morality. You can imagine how it's not that difficult to jump to some of these conclusions."

The series has earned fans globally, but one of the top endorsements came when the cast met French president François Hollande...

"We were hosting a cocktail party in the real Versailles," recalls George. "I was outside, and this motorcade drove up. He came up to me, shook my hand and said, 'C'est bien chez vous' – which means, 'It's nice at your house' – that was it!"

# The cutting edge

## THE MYSTERY OF VAN GOGH'S EAR

BBC2 9pm

If we were to say Vincent van Gogh to you, chances are the first thing that popped into your head – before his paintings – would be “cut off his own ear”. It's a story we've all been told at some point, but do we really know what happened? Art historians have been arguing about the specifics for years,

and in this documentary, Jeremy Paxman meets the historian Bernadette Murphy, who has spent seven years trying to get to the truth behind the legend.

Her mission begins in Arles in the south of France, where van Gogh lived at the time of the incident, and where she has been poring over the city's records trying to find solid evidence from the time. The search will also take her on to Amsterdam and all the way to California.

## DRAGONS' DEN

BBC2 9pm

French entrepreneur Sylvain comes to the Den tonight to offer the Dragons the chance to invest in what he calls "the ultimate selfie" – where people can have 3D scans of themselves taken and printed out as mini statues in materials ranging from candles to chocolate. While the examples he brings along to show them look impressive, things get tricky

when Peter and Touker question the specifics of his business and don't like what they hear.

Sarah and Beth from London get a bright reception to their fashion start-up – a collection of stylish but affordable workwear – particularly from Sarah and Deborah, but the Dragon they're hoping to impress is fashion retail expert Touker. He spots several flaws in their business plan – but will his criticism put the other Dragons off?

# Divide and conquer

**EDEN**

**Channel 4 9pm**

So at the end of tonight's episode we'll be saying goodbye to Eden for a little bit as we've come to the end of the current run – but considering that this is a social experiment set to run over the course of a whole year, we imagine it will be back on our screens before long, especially as things are just getting interesting in the isolated community.

Meanwhile, in this programme we see the arrival of springtime in Eden, with lambs being born and the sun finally coming out – but there's still plenty of work to do as the residents attempt to build a winter dwelling.

There's also a potential split in the new society tonight, as one Edener puts forward the case for creating an 'A Team' of the most valuable people, and leaving the weaker individuals to fend for themselves.

## FIRST DATES

Channel 4 10pm

The recent celeb episodes have been a fun distraction, but truth is our hearts lie with the original-recipe *First Dates* and the simple magic of watching two ordinary people turning up at a restaurant and hoping that there will be a spark between them.

There are five dates for us to eavesdrop on tonight, including a meeting between podiatrist

Felicity and city boy Jethro. They've got a few eccentricities between them, and perhaps that will be what brings them together.

Elsewhere in the restaurant, Irishman Damian is hoping that his date will be able to see past the fact that he has Tourette's; 79-year-old history student Joe has dinner with Dee and the two share a lifetime's-worth of stories, and accountant Ajai is hoping to end a run of bad luck after three proposals but zero marriages.

## LOCATION, LOCATION, LOCATION

Channel 4 8pm

Phil and Kirstie return to help more first-time buyers get their heads around an increasingly confusing property market. Kirstie is guiding Jenny and Tom around Southampton, but the fast turnover of houses is a lot for the hesitant pair to cope with. Meanwhile, Phil's in the New Forest with Georgie and Will, who are really pushed for time. And if you want to see what else Phil's been up to lately, turn the page...

## PHIL SPENCER'S STATELY HOMES

More4 9pm

It's not a huge departure for Phil to show us around some houses, but these aren't for sale (and if they are, they're well outside of our budget). This time, he's going on a

grand tour of some of the nation's most opulent stately homes to tell us the stories behind them. The sheer scale of the six properties featured across the series means that putting them together presented many logistical challenges, but it's hard to argue with the end results.

SUSPECTS:  
THE ENEMY WITHIN  
Channel 5 10pm

When Jack and Charlie are called out to an early-morning crime scene, they get an unexpected link to the investigation into the murder of DI Martha Bellamy: a young woman is dead, and they both think she's the woman from Adrian Bellamy's blackmail video. Alisha sends them to speak to Stan Turner, who they suspect

was involved, but he's not saying anything. His girlfriend Rose, on the other hand, identifies the woman as "Jasmine", but won't say anything further.

Convinced Jasmine's death can't be a mere coincidence, Jack and Charlie reopen Martha's investigation, but Daniel's quick to shut them down and tell them that their sole focus should be on Jasmine, not Martha. So now their best hope is for Jack to persuade Rose to start talking...

Channel 4 10pm

Dan's making some big plans tonight: after telling his friends that he was adopted, he really wants to find out more about the life he missed out on. Dependable, unadventurous Brian isn't terribly keen on Dan and Jo's plan for a trip to the beach, but once his own children start coercing him into it, he doesn't really have any other choice. But will Dan find the answers that he's looking for?

## SHADES OF BLUE

Sky Living 9pm

Everyone on this show is starting to get very paranoid, and not without good reason: it seems like they all have someone following them or have a secret that someone's about to uncover or, in some

cases, both. There's trouble for Matt tonight after Tess brings in a drug dealer and Matt refuses to return the drugs to their owner, Raul Mendez, so Raul resorts to blackmail. And Harlee's suspicious that Robert has bugged her apartment, so she turns the tables on him.

### THE SUPERVET: BIONIC SPECIALS

Channel 4 8pm

Noel Fitzpatrick is back with a four-part series looking into the science behind his life-changing veterinary procedures. Tonight, Noel treats a King Charles spaniel by designing a 3D-milled implant to cover the hole created by removing a tumour in her skull.

"Many of these procedures and implant systems have never

been seen before," says Noel. "Some of them are world-firsts. We are in the midst of a great change in medicine. For me, this is a deeply personal series of films which chart the evolution of thought regarding techniques and implants which have taken place over more than a decade."

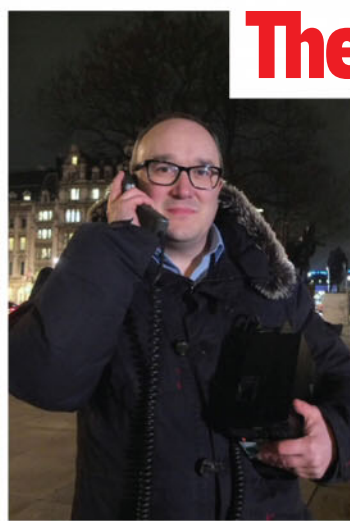

Also tonight, Noel breaks new ground with help from bioengineer Jay Meswania by designing a 3D-printed elbow replacement for Norfolk terrier Archie.

### THE 80s WITH DOMINIC SANDBROOK

# HIGHLANDS: SCOTLAND'S WILD HEART

## BBC2 9pm

The second part of the look at the Scottish Highlands across the four seasons of the year brings us summer: an intense time for the local wildlife, but also a time of great opportunity for breeding and finding food. On Handa Island, off the coast of Sutherland, every ridge on the cliff face is occupied by birds. It's

a particular breeding hotspot for guillemots, but that fact is also known by their predators who come in search of their eggs. Elsewhere, the otters spend these warmer months fishing for food, and tonight's episode follows a single mother showing her cubs how to catch their own dinner before the rather more challenging weather patterns of autumn set in. We'll also get to see red deer in the mountains dealing with swarms of midges.

## FRIDAY NIGHT DINNER

### Channel 4 10pm

Adam's been ill so he's been staying with his parents all week, but when Jonny arrives on Friday for dinner, he can't quite believe just how much his brother has regressed - Jackie's even cutting his toenails for him. But Jonny's amusement at Adam's total dependency on their mum soon turns to frustration when he realises that his brother is getting preferential treatment - and eventually his temper boils over.

## THE OUT-LAWS

More4 9pm

This Belgian comedy-drama has quickly established itself as one of our faves of all of More4's European imports thanks to its quirky characters and deliciously dark humour. In tonight's episode, the

Dewitt brothers are forced to confront the extent of their father's dodgy dealings. This leads Mathias to wonder how much he can trust Thomas, and he leans on Bekka for support. Elsewhere, Goedele reluctantly tells Thomas about the sexual issues in her marriage to Jean-Claude (RIP).

## STEVE'S DOUBLE DADDY DRAMA!

**My jaw hit the floor when I found out that Steve is the father of Leanne's baby in *Corrie* – I was so sure it was Robert! And with Michelle due to have a baby as well, it looks as if Steve is going to have his hands full...**

While I know it takes two to tango, I can't help feeling sorry for Steve finding out Leanne is pregnant after their one-night stand. Just after things were settling down again with Michelle! It's almost a repeat of what happened before with Karen and Tracy – maybe we'll get some exciting scenes from this storyline, like the legendary wedding and christening fights!

**Michele, London**

I'm happy that Steve has confided in mum Liz about his baby bombshell. I love their relationship, and he definitely needs his mum's

guidance now. As well as showing how deep their bond is, I like the humour they bring to even the most serious chat.

**Fi, via email**

With this latest twist, I fear for the future of the *Coronation Street* cobbles, with the genes of the Battersbys and the McDonalds mixing together

following Leanne's big baby revelation to Steve!

**Darren, via email**

**And Darren isn't the only one concerned about where this plot is going...**

While I welcome the news that Leanne is pregnant – she's one of the best characters in *Corrie*

if you ask me – I wish they hadn't made Steve the dad. What's the betting that Michelle will now get pregnant as well, and Steve will have two sprogs born on the same day?

**Cathy, Sheffield**

**Frankly, it's a wonder Steve doesn't have more kids on the Street already!**

Playing tug-of-war got seriously out of hand

## LACHY STAR

Well done to Thomas Atkinson, who plays troubled Lachlan in *Emmerdale*. He did a brilliant job of showing how humiliation, rejection and pure devastation pushed the young lad to the edge. Lachy is a fascinating character, and Thomas gives him real humanity. Brilliant work.

**Jeff, via email**

**I agree – although Andy might not be such a big fan...**

## SHIRLEY NOT?

It's amazing that Shirley still looks out for Ben in *EastEnders* after everything he's done to her. He killed her best mate! If I was Shirley, I would want to give the whole Mitchell clan as wide a berth as I possibly could – but there she is, trying to save him from getting into trouble.

**Tania, Maidstone**

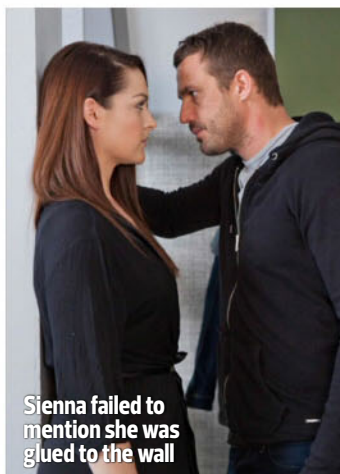

**Shirley may be the only one who can get through to Ben!**

**RANT! RAVE!** We love to hear your opinions. Here's how to get in touch...

**BY POST** Inside Soap, 33 Broadwick Street, London W1F 0DQ

**BY EMAIL** Send your message to [soapbox@insidesoap.co.uk](mailto:soapbox@insidesoap.co.uk)

Sienna failed to mention she was glued to the wall

## FOX ROCKS!

I was never really a fan of Warren Fox the first time he was in *Hollyoaks*, but now I think he's brilliant! Teaming him up with Sienna was a stroke of genius. I can't wait to see what havoc they wreak together next.

**Sonia, Durham**

Maybe Warren could teach his neighbours a thing or two about breaking the law...

## CRIME TIME

I'm really not buying the idea of *Hollyoaks*' Darren and Nancy being some kind of criminal masterminds. The whole plot about them moving Patrick's body was ridiculous – and why are there suddenly doors in the wall? They weren't there before!

**Leighanne, via email**

They're certainly savvy and ruthless enough to frame someone else for the crime!

## BRAX TO THE BAY

I'm so glad that Ricky ended up with Brax in *Home and Away*. So often actors leave soaps and never return, so it was great to see Steve Peacocke back as Brax, even though he's starring in films now. We

# Request SPOT

## HE'S THE JUAN!

I just saw the advert for the kitchen towels – you know, the one with 'Juan Sheet' – and I'm sure the boy in it is little Richard from *EastEnders*!

**Steven, via email**

It is indeed! Talented young star Henri Charles was in the Plenty advert before landing the role of Richard. The youngster is also in the film *Me Before You*, which was out recently.

Sam used to let Richard get up to no good in their garden!

Even Andy looks as if he wants a piece of Kerry's jacket

## GREEN WITH ENVY

Kerry in *Emmerdale* has been wearing a really nice green biker jacket recently. Do you know where I can get one?

**Rachel, Sevenoaks**

You've come to the right place, Rachel! I can tell you that Kerry's jacket comes from Zara, and is currently reduced from £49.99 to £19.99. What a bargain! Log on to [www.zara.com](http://www.zara.com) and search 'faux leather jacket'.

## YOUR TRICKIEST SOAP QUERIES ANSWERED...

## KILLER THRILLER

In *Hollyoaks*, Nico confessed to Peri that she'd killed three people – but I thought she still didn't realise that she'd killed Patrick? Or was she talking about Will Savage?

**Becky, Wolverhampton**

Nico smothered Patrick – but when she returned to find out he'd gone, she assumed he'd survived. Later, when she discovered that Maxine had found Patrick dead and moved the body, Nico realised that she had killed him after all.

Nico is giving the 'Gloved Hand Killer' a run for her money!

# SOAP bubble!

Yes, it's very impressive, Andy. But can you make it stand up in court?

WIN £20!

## » FROM PREVIOUS PAGE

all know that Brax and Ricky belong together, and it was so nice that they finally got a happy ending. That doesn't often happen in soap!

**Tilly, via email**

**And now Hunky Dr Nate is back on the market. It's a win-win situation!**

## UNDER CONSTRUCTION

I'm always impressed by *EastEnders'* attention to detail when it comes to building works in the Square – even

when they're not related to any plots. No 43 has had scaffolding around it for ages (is it being remodelled back into flats?), while Roxy was asking about rendering to No 55 a couple of weeks ago as there's scaffolding around that, too. Walford is certainly reflecting

the mass of construction work happening across the capital!

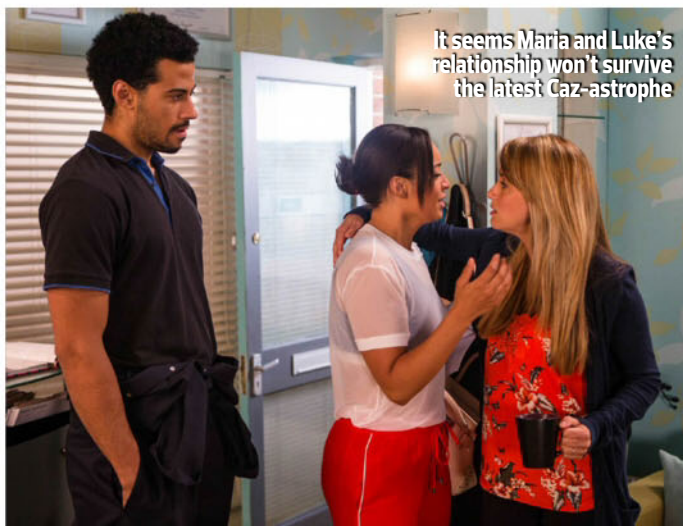

**Mark, London**

**But are they also reflecting the crazy house prices?**

## LUKE AFTER NUMBER ONE

Who can blame *Corrie's* Luke and Audrey for thinking Maria

It seems Maria and Luke's relationship won't survive the latest Caz-astrophe

is off her head for inviting miserable Caz to stay? I liked the fact that Maria's reason was that she's been in Caz's place, after that time she started stalking Tyrone. It was a good reminder of her past, and justified her decision.

**Rachel, Liverpool**

## SOAP shorts...

**"I can't believe Paige slept with Tyler in *Neighbours* – poor Piper!" sympathises Polly from *Croydon*... "It was horrible seeing *Corrie's* David go mad in the salon, throwing away all of Kylie's equipment," wails Jodie from *Vale of Glamorgan*... "How has *Emmerdale's* Gabby turned into such a total monster overnight?" wonders Pauline from *Crewe*. (It wasn't quite overnight, Pauline – she's always had it in her!)**

### GEMINI 22 MAY – 21 JUNE

A fondness for people-watching is simply part of your curious nature, but be careful this week that your interest in the behaviour of others doesn't see you branded a busybody!

### CANCER 22 JUNE – 23 JULY

You're a homebody at heart, but travel plans this week will leave you feeling unsettled. A change of scenery will do you the world of good and open up your eyes to new people and experiences.

### LEO 24 JULY – 23 AUGUST

Your larger-than-life personality will come to the fore this week, as social engagements make you the centre of attention. Don't let the adulation go to your head – surround yourself with true friends.

### VIRGO 24 AUG – 23 SEPT

Feed that enquiring mind of yours this week, by considering signing up to a new course or joining a local book group. Not only could the move help expand your mind, it will do your social circle good.

### LIBRA 24 SEPT – 23 OCT

Knock any inactivity on the head this week and press ahead with your plans. Big or small, seeing them through to completion will give you a boost and free you up to concentrate on other matters.

### SCORPIO 24 OCT – 22 NOV

Rise above it all this week! Those who irritate you or toy with your emotions are not worth your time or energy; focus on those in your life who have your back and let them know it's appreciated.

### SAGITTARIUS 23 NOV – 21 DEC

While your enthusiasm is one of your top traits, beware getting carried away this week. Avoid any mix-ups and closely check the finer details of plans, especially when it comes to travel arrangements.

### CAPRICORN 22 DEC – 20 JAN

Rest up! All work and no play makes for a dull life indeed, so wind down this week and factor in some quality time spent with family and friends. You'll soon reap the rewards with a renewed lust for life.

### AQUARIUS 21 JAN – 19 FEB

Don't let others dictate your life – your free spirit should not be contained, so follow your heart this week. Whatever decision you make, you'll feel better knowing you listened to yourself and not other people.

### PISCES 20 FEB – 20 MAR

Your daydreamy nature sometimes leaves you with a tendency to brood on matters, but this week sees an opportunity to unburden yourself by confiding in a pal whose opinion you trust.

# HITS & MISSES!

WHAT'S HIT THE BULLSEYE RECENTLY - AND WHAT'S FALLEN WIDE OF THE MARK?

Just to maximise the mayhem in **Steve's** life, we think **Rover** the dog should fall pregnant, too.

You know it's summer holiday time for the *EastEnders* cast when poor **Scott Maslen** has to spend a whole scene talking to a cupboard.

It's encouraging to see Summer Bay's baby **Casey** already in training to join daddy **Brax** in the family business. He's the cutest getaway driver ever.

It must have been awful for **Chas**, languishing in that psychiatric unit for so long. But it was nice of them to fix her up with a snazzy new bob, side fringe and highlights.

It's never been the most conventional of relationships, but **Lawrence** and **Ronnie** should try having a date in a nice bar or restaurant for a change.

## BULLSEYE!

The big noise in *EastEnders* recently has been the reunion of brothers Phil and Grant - but it's the younger generation of Mitchells who are the real stars of the show at the moment. **Harry Reid** has excelled in portraying **Ben's** emotional turmoil, while **Tilly Keeper** is a natural at stepping up to the plate as steely **Louise**. They're the future, we tell you!

Funny and fabulous **Rana** really is the most wasted character in *Weatherfield* right now. Sort it out, **Corrie**!

Stalker **Andy** seems to be developing a conscience. Sure, he's plotting to steal **Ronnie's** kids, but he can't bring himself to sleep with **Roxy**. That's progress, right?

Welcome to the *Emmerdale* gun show, part one.

Welcome to the *Emmerdale* gun show, part two.

"Ladle, ladle in my hand. Who's the most **tragic** in the land?"

We feel sorry for **Kush**. It's bad enough when your crush brings her best mate along to your date. It's another thing entirely when the chum in question happens to be your own **mum**.

# SUBSCRIBE TO **COSMOPOLITAN** JUST £9.99 FOR 12 ISSUES!
